PRAYER - Report from BMS - 29/01/2009

Sporadic violence has erupted since both sides declared tentative ceasefires, with an apparent surge this week.

Meanwhile, there has been widespread condemnation this week of the BBC and Sky News for not televising DEC's Gaza appeal. You can make your voice heard by going to: <http://www.bmsworldmission.org/Article.aspx?id=68314> and clicking on the link. This way you can contact these broadcasters, asking them to reverse their decision. You can also give to their relief appeal by clicking the graphic on the right. (As shown here)
