Little Acorns

For the team who get together on a Monday, Little Acorns continues to be an illustration of what happens in the wider church - and sometimes these things are easier to see on a small scale.

Last Monday we all took that close-up view, and the children made miniature 3-D houses complete with lamps, mirrors, curtains, carpet and chairs.

The craft wasn't just one person's idea, but it was the coming together of several of us - one saw potential in the raw materials and took the initiative to buy them, one had the idea of the house, one had ideas on furnishings, and all of us enjoyed seeing the tiny hands produce their own little homes.

In big church, we all pull together to make something bigger, to make God's bigger house welcoming, so that others will want to join us - and new families do continue to join Little Acorns.

At the moment we're seeing an increase in dads who bring their little ones along, and of

Update from Ruth Barker

Hi everyone.

I have an update on the whole moving situation for you...

A few days after I wrote to you all letting you know the situation regarding my move and the financial problems that came with it, I got a phone call from my former room mate Jess telling me that the granny flat where she stays is available to us to stay in for the next year at least if we want it!

Jess has been staying down the street (*same road as I've lived since September and where I live now*) since the robbery, at her boyfriends parents granny flat. We had always wanted to live there but her boyfriend's parents weren't giving any indication as to whether we could or not and then they just decided.

This is great news as although my rent will increase a little from now, it means my petrol costs will be kept low as I will be living down the road! Praise God! I did love the other house and it is much nicer

than any granny flat, but practically and economically this is the better option.

Thankfully the pressure to raise money quickly is no longer there, all in God's plan and timing as ever! It is tight most months but I am just about managing. Obviously any extra money is always welcome to help build the things I need for the granny flat and I need to improve my car safety wise but these are optional extras not necessities.

I really appreciate all your prayers and financial giving so far. God has really protected, guided and helped me in the last few months and this is just another time when he has proved that he is guiding my life and he has great plans for me.

I have also uploaded my latest blog, would be worth a look. There is alot about my recent work with the street children which I am loving! <http://ruthindurban.spaces.live.com>

Lots of Love, Ruth

Prayer Diary

Feb 8th

Mon: Ruth Barker as she continues to trust the Lord for her future.

Tue: Rita & Tony Harris, for health & blessings.

Wed: For our deacons & team leaders, for wisdom, clarity & vision.

Thu: For the visitors that come through our doors, that they see the love of God in action, through His people.

Fri: To look at each person we meet & see that Father God made them & wants

to bless them - so pray a blessing on every person you meet today. And if you don't meet anyone — pray a blessing on the one that you least feel favoured with.

Sat: For your own walk with the Father, that you come to know Him deeper and be filled with the Holy Spirit.

Sun: For today's service, that we meet with God, in fullness and truth, that we do not hurry from the building in the manner we dragged ourselves in with.

Be changed!
