News of the church family

Joan Cooper continues to be unwell, but is a little better.
Rita Wing has a problem, hopefully small, following her recent surgery.

Nothing has been heard from Matt Fromm since Alison and Vic left him at Heathrow airport on Monday. This is good as he anticipates being in touch only if there is a problem.

Paco has started a new job this week and has worked very long hours, but it seems to have gone well

Important Notice

On Wednesday June 16th there will be a special Church meeting to decide the details for the leadership structure of Wymondham Baptist Church. This is very important as it will shape the structure of our church for years to come. We have to rewrite our constitution and need to make it what God wants it to be so that we can fulfil His purposes in the coming days, months and years. Please make the meeting a priority.

Please pray for:

Monday: Joyce Dickerson
Tuesday: Ann and Chris Flaxman
Wednesday: The church meeting that we will truly seek God's will
Thursday: Alison and Vic Fromm
Friday: Nigel and Tammy Hannant and family
Saturday: Matt Fromm and friends in China for 2 weeks
Sunday: Our family service today

If anyone would like to join the rota for doing some of the "practical" jobs in the church please speak to Christine or Eve today. Look at the current rota on the notice board to see which tasks need doing. We could do with more people for all of them. Mostly they require two people and it is an excellent way to get to know each other better as we work together. We serve God and each other.

Little Acorns news - They say to be careful what you ask for, as you just might get it - this week has seen some interesting developments in our outreach. On Monday a teen mum came along to Little Acorns with her foster carer, who spoke with me separately about a direction in which we would be able to further support girls like her, without drawing any further from our small but willing volunteer base. There are a few philosophical, legal, and logistical hurdles to get through, so please help us pray that we will be able to grasp the right opportunities, and not just get involved in every thing that comes along.

We are also praying with and continuing our conversation with Hoppers, regarding the return of their playgroup to the town centre. As I mentioned before, the concern is the possibility of over-subscription and having to return to running a waiting list. We are exploring all our options - some of which seem initially odd! - but as I said before, prayers get answered, and not necessarily the way we anticipate! Good job it's not us in charge! :-)

Tomorrow the children will be preparing a gift for Father's Day and enjoying a snack of cheerios and raisins. We meet Mondays term time, so if anyone is free those mornings and would like to join our team, you would be very welcome.
