A special welcome to any visitors that are here to meet with us this week. We pray you will enjoy your stay with us in the full love of God.

You are welcome to stay and have refreshments with us, so don't rush away.

Family Service — Children stay in service

Little Acorns

This week at Little Acorns we all learnt a few life lessons again: that you never know what the real story is behind what looks like a happy family, and that the investment of an offered friendship pays off when we are able to be there for someone in need.

Counselling, and she assured our lady that we have a counsellor who's been through the same experience herself.

What a blessing to have something so important in-house. We've taken this exchange as a prompt to put

the leaflets on the front desk, to make others aware.

But we still wonder where best to put our energy - where the families would most benefit.

Forty-six children joined us last week, and in some cases we still don't even know everyone's names.

Please pray that we can make everyone feel special every time they come to God's house, whether for church services, counselling, or Little Acorns.

A family we are all fond of let us know of some trouble they are experiencing, which made us feel that they know they can trust us, and that they sense there is something more behind all the tea and toys.

We are of course meeting the problem with prayer and offering any more support we can give. But even so, it's easy to feel a little bit helpless and lost in these situations, wondering what we really can do to help in a practical way.

Listening to them talk though, Christine fortunately realised that there is very much something we can offer in the 4Cs

My last notice sheet!

Please note, that due to pressing personal reasons, this will be the last notice sheet that I will be formatting. Over the last two years I have brought you news, information and God's encouragement, even though there may have been a few typos along the way.

Thank you to everyone for their patience and encouragement during this time.

It has been decided that the notice sheet will be undertaking changes during the next few weeks. Rob Chambers and Tracy Kenny will be the lead on this.

My sudden stand-down now leaves an urgent vacancy. If you feel you can be part of this new future venture, please speak to Rob or Tracy. Thank you.
Trisha

Sat: Rita Wing, for more healing for post op surgery.

Sun: Margaret & John King & family, for strength and wisdom as she faithfully meets with people in need of help through 4Cs.

Extra:

Please also pray for a young male friend of Trisha's, who has just been told he has one year to live. A lad who although a Christian, now struggles with all the implications this throws up for his future; for his family; friends and relationships.

Pray that the Lord will be merciful and gracious; to heal and deliver him from fear and disease. Thank you
