

**Welcome to our Service today.**

Today is Whit Sunday, when we celebrate the coming of the Holy Spirit on the first Christians.

Alan is preaching from Ephesians 4.

Please join us for refreshments after today's service.

**Please pray for all our young people who are entering the annual exam period. Many are on study leave with exams from now until June.**

## **News of the church family**

Alan was unable to have his cataract operation on Thursday as the surgeon found he had had a bleed into the eye. He very narrowly missed losing the sight of that eye, for which we are thankful to God, but operating could have restarted the bleeding and it was thought to be too risky. The hospital will continue to monitor him.

Jack is making slow progress following his strangulated hernia operation, but is still not very strong.

Jane has had a bad back but that is now improving.

Rob Price is still not fully recovered from his stomach bug.

Stacey Price has been doing exams, but has been battling with health problems.

Chloe, Emma and Poppy are taking exams this week.
