

# Prayer Focus for May 2022

This month, we ask you to join us in praying for Rachel Spencer in her work for GEM (Greater Europe Mission). She works in a suburb of Paris which has seen a lot of racial tension over the last couple of years.

Rachel has a busy month ahead, including coming to Wymondham to lead our worship on the 22<sup>nd</sup> May! She has asked for our prayers to be focussed on the following:

*\*\* We will be doing an Easter outreach event on the 8<sup>th</sup> May, several weeks after Easter because we needed to wait until after the end of Ramadan. We are inviting a number of Muslim friends to that, and we will tell the story of Easter and how Jesus gives new life to all who believe in him*

*\*\*I will also be running another set of parenting workshops in May, the first ones in January and February went well and there are several mums who would like to come back, and hopefully some new people will come too. This is a great opportunity to get to know these women, and to serve them as they raise their kids.*

*\*\*Then towards the end of May (just after my visit to WBC, in fact), I will be travelling again to the US, for meetings in Ohio and Philadelphia, all related to my Safeguarding Children role.*

The latest update from Rachel is on the Outreach and Mission board at WBC
