LEADERSHIP TEAM ELECTIONS - The following have been nominated for election at our church meeting on July 17th - Ramona Chenery, Jason O'Dell and Neil Starling. Details of candidates are on the notice board at the entrance to the church.

SUMMER PROGRAMME for Sundays during the school holidays will be led by our Home Groups on the theme of Creation Care. On Sunday, 4th September we are planning a Church BBQ - put the date in your diary and plan to join us.

VOLUNTEERS NEEDED - Would YOU be like to be a part of our Welcome Team, Refreshments Team or Communion prep Team? If this is something you can help us with, please speak to Cathy or email the Office - office@wymondhambaptist.org. The more help we get, the less often you are on duty.

We are wanting to have a **church tool box** available to anyone carrying out repairs etc. at the church. We are looking for the following tools - hammer, pliers, needle nose pliers, adjustable spanner, phillips screwdriver, flat head screwdriver, tape measure, minihacksaw, saw, stanley knife, adjustable wrench, set of allen keys, chisel. If you have duplicate of any of these and would like to donate it to the church toolbox, please give it to Cathy in the Office. Thank you to those who have already brought along their spare tools - they will be put to good use.

We are planning a **Big Church Clean/Clear out from 1st - 13th August** - if you have any personal items stored in the church, please make sure you collect them. Any items that are not claimed and are not belonging to the church will be disposed of. Thank you for your help with this.

The Building Project Team update - we will be holding an information morning for the residents of Queen Street only on Saturday, 16th July, to give them some idea of the proposed extension. This display will be left up for the following Sunday morning. It is anticipated that the plans will then be submitted for planning approval during the following week.

July Prayer Focus: The Falconer Home

The Falconer Children's Home was founded in 1947 by Liliias Falconer, a nurse from Manchester. It is situated in Kabulamema, a remote province in the NW of Zambia.

The Falconer Trust was set up in 1980 to support the work of the orphanage and Neil Starling from our congregation is currently the manager of the trust.

For more information about the Children's Home and Orphanage, please go to www.thefalconertrust.org where you will find all the up-to-date news, including the latest video diary about the work going on at the home.

This July, Neil has asked us to join together and pray for the following:

- First thanksgiving for the fact that the Customs Exemption Certificate has finally been renewed (a very long and arduous process!), which should mean that the customs clearance process should become a little easier.
- The home has had five new babies in recent weeks - two sets of twin girls, and another girl. They are doing well, but there is a constant need for supplies of formula milk, which I am having to send via DHL at great expense, as they are unable to purchase it locally.
- The Home is facing huge challenges regarding buildings. The roof of the main house desperately needs to be replaced, but to do this, alternative accommodation must be prepared for the children. Social Welfare insists that even temporary accommodation must meet all the requirements for sanitation, space, fire regs etc. (which, of course, none of the buildings currently do!). Simon and his team are therefore working flat out to build a girls' dorm, converting the old derelict church. The whole project has become vastly bigger, more time consuming, and more expensive than originally thought. We at the Trust cannot humanly see a way of being able to finance it, so please pray for a financial miracle!
- A few weeks ago, Mama Lisa, the senior carer of the children, passed away from a chest infection. She had been part of the Home all her life. Please pray for the remaining staff, and the children at this difficult time.
