

**Wymondham
Baptist Church**

An authentic church with a place for everyone

Eco-Friendly at WBC!

At Wymondham Baptist Church, we're passionate about caring for our planet and the responsibility that God gave humanity: to tend and care for the world He made for us. (*Genesis 1:28*)

One of the ways we show our commitment is by being an **Eco Church** which means we belong to a network of churches who aim to 'go green' in all areas of church life.

God the Creator

We believe that God's universe displays His creative beauty, immense power and infinite wisdom for all to see. Most of all, it shows His great love for us in giving us such a wonderful home to live in and enjoy.

God's Creation

The Bible tells us that instead of partnering with God to care for His world, people chose to go their own way—and we see the consequences all around us. But thank God, that's not the end of the story!...

Who is Jesus?

Jesus isn't just a great teacher or prophet. He is our Creator God who came humbly to show us how to live. Out of love, He paid the price for our wrongs—dying on a cross and rising again.

How about you?

God created YOU for a relationship with Him—to know His love and friendship forever. All this is possible through Jesus:

"For God so loved the world that He gave His one and only Son, that whoever believes in Him should not perish but have everlasting life..." (John 3:16)

We'd love to hear from you if you'd like to talk about anything in this leaflet.
